

Dear Parents,

Hearty congratulations and a warm welcome to SAKEC family.

I was happy to meet many of you during the inaugural session of the first year. We had a session of fruitful interaction. However, I would like to share certain thoughts with those who could not attend the session.

Your ward has entered a professional course where the curriculum is quite heavy and hard work from the student's part is a must. It is the joint duty of the faculty and the parents to see to it that the child successfully completes this tough journey.

Current F.E. batch is the second to take the newly revised credit based examination system of the University of Mumbai. This system is based on continuous assessment of the student's performance. Every subject has an end semester examination carrying 80 marks and the remaining 20 marks are reserved for the internal assessment. Two internal tests, each carrying a weightage of 20 marks are conducted in all the subjects and the average of the two is sent to the university as internal assessment marks. Under no circumstances, the university permits us to hold a retest. This internal assessment is considered as a separate head of passing and scoring 8 out of 20 is a must to pass in the internal test. My sincere request to the parents is to make it compulsory for your ward to attend both the tests. The schedule for the tests has been notified well in advance in the academic calendar.

In order to help the students to learn well and have a comfortable study atmosphere, we have introduced mentorship system. A group of about 25 students are assigned to one staff member who acts as the mentor. Students can approach the mentor for solving their difficulties in the subjects or otherwise. **Parents can personally meet the mentors on first, third and fifth Saturdays between 10 :30 am and 4:30 pm and discuss the progress of their ward.** The list of the class mentors is enclosed.

Please feel free to write to me at principal@shahanchor.com for any queries or suggestion.

"TOGETHER WE GROW"

With warm regards,

Dr. Uma R. Rao
I/C. Principal

The following staff members are appointed as mentors for **First year** classes.

CLASSES	BATCH-I	BATCH-2	BATCH-3
