Greetings from Mahavir Education Trust's Shah and Anchor Kutchhi Engineering College. Global Immersion embarks and shares our presence on a Global Level. It shows our promise to the commitment towards the growth of our students career and learning. We believe that continuous Learning is essential but when an experience associates to the learning on a global level, it becomes unbelievable. With London and Europe, we had our students taste a very good mix of culture along with technology and that helped incorporate skills in our students which makes them more confident for life as a true professional.
