We at SAKEC consider Mother tongue, Religion, Cultural heritage, Income, Family status, Education, Geographic Locations, Gender are the dimensions of diversity. These parameters impact on our expectations, experiences, assumptions throughout of life. Inclusive environment enables all students and staff to extract the maximum academic, personal and social benefit from their experience at the Institute. Students and teachers can benefit from culturally inclusive environment and understand diversity as a resource that enriches our teaching, learning, research and other work.

An inclusive environment on SAKEC campus contributes to making SAKEC a safe, enjoyable and productive place for the students, it also helps to enhance students' interactions with the wider community. SAKEC consider cross-cultural interactions as an opportunity for students to learn.

SAKEC MARATHON - Shah and Anchor college has its very own 10 KM and 5 KM SAKEC Marathon. We always have believed in Giving back to society and running for a social cause. In 2019, we had our cause as **"Run for the Martyred"** and saw a heart-warming response and three-digit registrations! This motivated us to bring a better, bigger and improved version with very important cause, **"Run Against Hunger"**. It has been estimated that 194.4 million people in India are undernourished to eradicate hunger at our level. Change cannot be brought by an individual. It is always brought by masses! Do Join us for making change. Stay tuned for updates!

SAKEC CYCLOTHON –

Shah and Anchor Kutchhi Engineering College's very own Annual Symposium presents SAKEC CYCLOTHON. It is an annual event where we ride for a cause to create social awareness. For 2021 year, the cause is: - **PEDAL AGAINST DEPRESSION**

Depression, something that is frowned upon to talk or suffer through it. We wish to raise awareness for the one's suffering through it and ride past the stigma around it.
