*Hands-on session on
Patent Filing*

Date: 22nd January, 2020

Time: 3:00 pm onwards

Venue: CR-34

The Intellectual Property Right Cell, SAKEC conducted a hands-on Session on Patent Filing on 22nd January 2020. The main purpose of this event was to create awareness of Patenting and patent filing process among the faculties and students. Attendees for the session were 37 faculty members and 19 Students.

Prof. Dhanashree Toradmalle, Associate Professor, IT Department, Shah and Anchor Kutchhi Engineering College enlightened the audience with the importance of patent filing. She gave various real life examples of granted patents to encourage the audience. She also discussed the types of patents, time duration involved in each step and also the patentable and non-patentable things. Prof. Dhanashree also discussed the patent grant procedure and the patent examination procedure with the audience. She explained the fee structure for patenting process.

Prof. Asha Durafe, Assistant Professor, Electronics Engineering Department, Shah and Anchor Kutchhi Engineering College enlightened the audience with the knowledge of patent drafting. She explained the importance of correct drafting of patent claims for ensuring the certainty of getting a patent granted. Prof. Asha also discussed how to fill the required forms for patent registration and the check list for patent registration. Then the case study on 'Foldable Pen' was discussed with the audience and they were given hands-on practice on patent claims writing and patent drawings.

Prof. Asha also discussed the E-filing procedure of patent registration and its check list.

Dr. Kranti Ghag concluded the session and motivated the audience to proceed for patent filing by taking help from the SAKEC IPR Cell at every step, as and when required.

The session was helpful to the faculties and students in following ways:

1. It helped the audience to know how to file Patent.
2. It encouraged the students and faculty towards filing patent on their projects, by incorporating some or the other form of hardware.
3. Attendees were motivated due to the less complicated E-filing procedure for patent registration.
4. The case study and hands-on session on patent drafting created confidence in the audience towards patent filing.
