SAKEC/2019-20

17/07/2019

Green Campus Policy

- ❖ The institute encourages the staff and students to use the public transport instead of their own vehicles for safety, security, fuel conservation and to reduce environmental pollution and traffic burden.
- ❖ The students and faculty those who stay near by area, they are using bicycle to go from home to college and vice versa. It is environment friendly and prevents pollution.
- ❖ Vehicle parking space for staff is provided at the main entrance of the college campus. Two-wheeler and four-wheeler parking space is provided separately.
- ❖ Student vehicles are not allowed inside the college premises.
- ❖ Single-use plastic items such as plastic bags, bottles, cups and other plastic cutlery are banned completely, and awareness is created among staff and students through orientation and display boards in the premises.
- ❖ To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the canteen and institute.
- ❖ We promote sustainable and eco-friendly practices in the campus also enable methods to follow 3 R the 'Reduce', 'Reuse' and 'Recycle'.
- ❖ The staff and students are informed to use metal or steel, copper water bottles instead of plastic bottles to protect environment and safety of health.
- ❖ The green lawn and garden area are taken to develop and maintain by trained gardeners and supervisor. The supervisor constituted in the college looks after the development and maintenance of the greenery in the campus.

:2:

- ❖ The security is placed at each gate to restrict entry from outsiders and whole campus is under CCTV surveillance for protection.
- ❖ We celebrate National Festival of Tree Planting (Van Mahotsav) on July 1 every year by doing tree plantation in campus.
- ❖ The institute head is taking initiatives to make the campus paperless. Internal communication in the campus, through e-mail or SMS. Employee attendance management system, SMS system, Key Issuance system, Account and administrative system are available.
- ❖ Save electricity in campus:
 - Turning off monitor when we leave the place.
 - Activation of power management features on laser printer.
 - Whenever possible, shut down rather than logging off.
 - Turn off unnecessary lights and use daylight instead.
 - Use LED or compact fluorescent bulbs.
 - Keep lights off in conference rooms, classrooms, lecture halls when they are not in use.
 - Use the fans only when they are needed.
 - Minimize use of AC, keeping at 24 degree Celsius when needed.
 - Regular maintenance of lifts and its usage is restricted to some floor.
- ❖ Electronic notice boards are installed in the campus to display all information to student and faculty.
- ❖ Recycling bins for E-waste, solid waste bins are available in campus, paper shredding machine to crush paper.
- ❖ Toxic chemicals usage, consumption of alcohol, tobacco and cigar are banned in the campus.
